Change of situation or change of details

You can use this form to let us know if:

- you want to change how funding is managed in your plan

In either of these situations, you can ask for a plan review. We call this a participant requested plan review. We generally won't review your plan if you want more funding because you've used all the funding in the plan, or the same supports as others.

You can also use this form to let us know your details have changed. You can change your contact details or who you give consent to at any time.

Check the **'Our Guidelines'** website (ourguidelines.ndis.gov.au) to get more information about when you need to tell us about changes in your life. Select **'Your Plan'** and **'Plan Reviews'** to read more.
